## **Mats Lindroth appointed new CFO in Duni**

Mats Lindroth has been appointed new CFO in Duni and will replace Johan Malmqvist during the month of April. Mats has been employed in Duni since 1990 and before that he worked at Swedish Match. Mats Lindroth has had several international management positions, most of them related to finance and business control. Presently Mats is a member of Duni Group management responsible for Corporate Development. After the appointment the major part of the Corporate Development functions will be organized under the CFO.

Duni AB (publ)
